

JUST DANCE 2021

Kai! Bache here.

Everyone knows me as being the most playful of the RightZkeepers and that's because I uphold the Right to Play! And what better way to play than dancing at KidZania's very own Just Dance Club? It's like I always say...
"Dance first, think later!"

1920's

The 1920's were a big time for dance. The Charleston was a fun, high energy dance, with swaying arms and very quick footwork

1940's

Jive dancing originated in the USA and is a lively partnered dance with lots of kicks, turns and mirroring.

1970's

Disco burst on the scene in the 70's, made famous by John Travolta's moves in Saturday Night Fever. The 'Funky Chicken', 'Finger Point' and 'The Robot' all come from the 70's!

2010's

With social media, YouTube and gaming platforms exploding during this time, viral dances were a huge trend. 'The Dougie', 'Gangnam Style' and 'The Floss' dominated the dance scene during this decade!

How will the 2020's look?

That's up to you! Make up your own style of dance and show us your moves by using the hashtag #KidZaniaAtHome. What trends will you set? I can't wait to see! Woof!
